## In Celebration of the Australian Citizenship of

ON THIS SPECIAL DAY

CEREMONY LOCATION

### Pledge of commitment as a citizen of Australia

From this time forward, (under God)  
I pledge my loyalty to Australia and its people,  
whose democratic beliefs I share,  
whose rights and liberties I respect, and  
whose laws I will uphold and obey.

"Why do we have to go?" I asked. "Australia is already our home."

Mum knelt down and took my hands. "Today makes it official", she explained.

"The promises we make today are a gift that stays in our family forever, including your children one day."

"People have loved this land for a long time".  
the Mayor continued.

"And today, YOU became part of this special place."

That night, as the Southern Cross stars began to sparkle in the sky,  
I snuggled into bed.

I thought about the big promises that we made today.

I thought about the history of the old land beneath me.
